

Hand Held Infrared Thermometers

Now available from stock, a new range of low cost hand held infrared thermometers suitable for use in mechanical and electrical maintenance applications .

Foundries : Metal Refining : Heat Treatment : HVAC

Hand Held Digital Thermometer

- Measuring Range -50 to 550 Deg C
- Adjustable Emissivity 0.1 to 1.0

Part Number	Price
TCGM550E	\$ 65.00

Hand Held Digital Thermometer

- Measuring Range -50 to 900 Deg C
- Adjustable Emissivity 0.1 to 1.0
- Accuracy +/- 1.5 Deg C or +/- 1%
- Min/ Max / Diff / Average Temperatures
- Distance to spot **12 : 1**
- Hi/Lo Temperature Alarm setting
- 12 store / Data Recall Function
- Carry case included

Part Number	Price
TCGM900	\$ 115.00

Hand Held Digital Thermometer

- Measuring Range -18 to 1350 Deg C
- Adjustable Emissivity 0.1 to 1.0
- Accuracy +/- 1.5 Deg C or +/- 1%
- Min/ Max / Diff / Average Temperatures
- Distance to spot **50 : 1**
- Hi/Lo Temperature Alarm setting
- 12 store / Data Recall Function
- Carry case included

Part Number	Price
TCGM1350	\$ 345.00
